Application for Replacement Award Certificate

1. The award certificate issued by the College is a unique document. The College does not issue duplicate copy of an award certificate under any circumstances.
2. If a graduate's award certificate is permanently lost/destroyed, not collected within the period prescribed by the College, or if in the case of legal name change, a graduate requires his/her updated name to be printed on the award certificate, he/she may apply for replacement award certificate(s) from the College Office. However, a graduate is only permitted to retain ONE award certificate, including the replacement certificate, for each academic qualification he/she is conferred by the College.
3. Although a replacement award certificate is equally valid and legal as the original award certificate, it may not be a replica of the original certificate in respect of the award certificate design and paper, wordings and signatures, etc. The replacement certificates are printed in the current format, including use of the signatures of the current UOWCHK's Officers. Each replacement award certificate bears at the bottom edge a notation that states "this award certificate is reissued on (date)" in English and "此畢業證書於(日期)補發" in Chinese.
4. To apply for a replacement award certificate, a graduate should complete and sign on the attached application form. We do not accept requests by fax or in form of electronic files. Please also provide the following documents with the form:
 - (a) A copy of his/her HKID card/passport (it will be returned to the graduate with the replacement award certificate);
 - (b) Relevant documentary evidence such as a police report, notarized statement or declaration administered by a Commissioner for Oaths for lost or destroyed certificate;
 - (c) For change of name, a duly completed Form "Change of Personal Particulars" and supporting documents such as Deed on Change of Name, HKID Card or Passport;
 - (d) The original certificate(s) of which the graduate applies for a replacement copy (for damaged certificate or for name change); and
 - (e) The required application fee of HK\$400 for each replacement award certificate.
5. It will normally take 4 weeks' time to prepare for the replacement certificate(s), counting from the date of receiving the duly completed and signed application form and all the required documents and charges.
6. The College reserves the right of not issuing replacement award certificate(s) to a graduate in the event that he/she has any unmet obligations to the College (e.g. outstanding tuition fees/library fines/student loans and unreturned library materials) or if the graduate is not able to produce the required documents pertaining to the application for replacement certificate or settle the required replacement fee.

7. A graduate may collect the replacement award certificate(s) in person or authorize a representative to collect the certificate(s) from the College Office upon notification. The graduate or the authorized representative is required to produce his/her HKID card/passport for identity verification and sign for acknowledgement of the replacement certificate(s). The authorized representative should also bring along a photocopy of the graduate's HKID card/passport for checking and the photocopy will be returned to the representative after verification.
8. A graduate may request his/her replacement certificate(s) be sent by registered mail to the given address. P.O. Box address is not acceptable. He/she will be notified by email when the replacement certificate is sent out. The College will not be liable for any loss of the certificate during postal delivery.
9. As the application fee is non-refundable, applicants are advised to check with the College Office, before making application and payment for the replacement award certificate, whether their original award certificates have been collected or not.
10. Personal Information Collection Statement:
 - The personal data provided in this form will be used for processing this application. Failure to provide complete and accurate information may render the College unable to process the application.
 - The information provided may be disclosed/transferred to relevant academic units/administrative offices within the College for consideration and/or necessary actions.
 - For non-local students, changes in student records may also be disclosed/transferred to relevant Government bodies, such as the Immigration Department, if deemed necessary.
 - After the application has been processed, relevant data will be transferred to the student record system of the College.
